Subject Payment of Bonus to the Shanbhogs employed for collection of Mohatarfa taxes in Chickballapur Municipality
--

Sir,

In forwarding herewith a copy of the resolution of the Municipal Council, Chickballapur passed at their meeting held on 31/7/46 on the above subject and the report of the President received with his No C C 15/46-47 dated 16th August 1946, I have the honour to state that the average annual demand of mohatarfa taxes in this Municipality is about Rs 14,800/- The town and the adjoining villages included in the limits of the Municipality have been divided into three groups and separate shanbhog has been appointed for each group to facilitate collection work The mohatarfa is being collected by three shanbhogs and they are paid commission at 5% on the actual collections made No patel has been employed for attending to collection work and shanbhogs themselves are doing this work

The shanbhogs prayed that the commission paid to them may be raised from 5% to 8% in view of the high cost of living and also of efficient work turned out by them and a recommendation was made to Government for enhancing the commission as prayed for But Government in their order No I 3150/M 1 4 44-12 dated 10th October 1944 turned down the proposal The shanbhogs have repeated their request and pray that the percentage of commission paid may be raised to 8% on actual collections made by them

The Municipal Council considered this question at length and they have resolved that the prayer of the shanbhog deserve sympathetic consideration and they are of opinion that some financial help should be given to these servants in these hard days to mitigate the hardship caused by the abnormal seasonal conditions and also in recognition of the very good work turned out by them The Council recommend that they may at least be given one year's commission as "Bonus" and they state that this will go a long way in alleviating, the situation caused by high prices of all necessaries of life now ruling in the market and give relief to the Shanbhogs

It having come to the notice of Government that their employees cannot get on without proportionately increasing their income, they have

have been pleased to sanction from time to time enhanced rate of dearness allowance to cope with the prices of food grains which are ruling very high These non-pensionable employees of the Municipality who entirely depend on the commission for their maintenance also deserve to be given some financial assistance in these hard days of economic depression. I request that the proposal of the Municipality to pay a sum of Rs.740-0-5 as noted in the margin* as a bonus may kindly be sanctioned. This will act as an incentive for efficient work and will also mitigate the hardship felt by these low paid employees on account of adverse seasonal conditions.
